RE: "Davis claim"

Honorable Clerk of the Court;  
I write this letter because I believe I have a  
"Davis claim": United States v. Davis, 903 F.3d 483  
2018 (5th Circuit). I am charged with § 24 c. Better  
stated, "I was convicted of § 24 c. I also have a  
habeas Corpus pursuant to 28 U.S.C 2255 pending in  
the courts, with an "active" motion schedule. I have not  
heard from the courts in some time, which is  
clearly understandable, due to the Coronavirus Pandemic.  
Can you please look into my claim and ~~can~~<sup>may</sup> you  
advise me of how I can go about filing for a  
"Davis claim", with the courts running the way  
they are running. Thank you for your time in  
advance.

Sincerely,  
Adony Nina
